Pet Grooming Policies

- Due to the trauma and discomfort de-matting can cause your pet, we do **not** provide de-matting services. Mats will be cut or shaved out. If your dog is severely matted, we will shave your dog for an additional fee. Matted hair can cause the skin to become extremely sensitive and incur clipper marks, abrasions, rashes, nicks, itchiness, or redness. You as the owner, agree not to hold Beast To Beauty Inc. responsible for any issues that arise due to the grooming of your matted dog.
- Price quotes are based on well maintained and well behaved pets, as well as breed standard sizes. If your dog is overweight or difficult to groom, there may be an extra charge for the extra work involved in the grooming of your pet. If your dog bites or is otherwise behaviorally challenged for grooming, please let us know so that we may determine beforehand if we are able to groom your pet. We reserve the right to terminate grooming of any dog that becomes overly agitated or aggressive and cannot be reasonably restrained. **There is a \$50 minimum charge for any dog we attempt to groom, regardless of state of completion, so please be sure that your pet is groom-able before you reserve your appointment!**
- We require 24 hours notice of any appointment cancelations. Each dog scheduled is considered 1 appointment. If you fail to cancel an appointment with at least 24 hours notice, or we arrive at your residence and you are unavailable for your appointment, you will still be responsible for full payment of the grooming service. **Please note that there are no exceptions to this policy!**

Please indicate how you would like to receive your appointment confirmation and reminders.
